Senior Class History

Early one September morning in 1942, twenty green little Freshies entered the door of Green Valley Community High School. Since that time many changes have been made, both in the number of students and the students themselves.

The first to leave our class was Dick Larimore, who didn't finish the first semester. Donald Bisselle finished the semester and then dropped out. Doris Null, Arthur Schimmelphfenning and Robert Craig were not seen back at school at the beginning of our Sophomore year. A new face was seen though. It was that of Melvin Rademacker who came to us from San Jose High School. Robert Heren started his schooling at G. V. H. S. at the beginning of the second semester of our Sophomore year. His first year and half had been spent at Pekin High School.

When we came back for our Junior year two more faces had disappeared. They were George Larimore and Robert Zimmerman. That made fifteen Juniors. When our Senior year arrived, we still had fifteen, but Ruth Harris had moved away and Bonnie Scott took her place. Ruth is finishing in Delavan and Bonnie came from Washington, Illinois. Virginia Drake and Thurza Forbes came back this year the first semester and will graduate with our class. This makes seventeen Seniors.

Class Prophecy

One day in the year of 2000, we were coming back from our trip to the moon in our convertible rocket ship, which was flown by Bonnie Scott. When we landed on the world, we decided to stop in our used to be home town, which was Green Valley. When we arrived we were very much surprised to find that we had landed on the platform in front of Orv. Meeker's Hampshire hog barns instead of the airport. We talked to him awhile, then decided to travel on toward Green Valley. On the way we passed Mel Rademacker's chicken ranch, and also Roy Shay's 500 acre watermelon farm. After a five hour trip we reached the suburbs of Green Valley. When we arrived in Green Valley we decided to see what old G. V. H. S. looked like and of course the first room we came to, was the English room. Who should we see, but Lois Ary trying to teach the Senior Class which had an enrollment of 384 pupils. After saying good-bye to Lois, we went to what use to be our gym, only to find a monsterous swimming pool with Deloras Dickerson as the Athletic teacher. She was trying to teach one of the girls how to do the Swan Dive. Then we went to the Music room and there we saw Mary Schureman beating out Boogie Woogie to one of her talented students. After resting for a while we decided to follow the aroma which we smelled, only to find it led to the G. V. High Labatory where Barbara Duncanson was mixing a formula of H_2S.

Then we left the High School and stopped at a house to inquire about where we could find a place to eat. Who should answer the door, but Virginia Drake. We talked to Virginia awhile and found out that Thurza Forbes was also a housewife and was living next door to her.

Upon reaching the business district we found Bob Heren as the top accountant in the business firm "Heren & Heren and Co." Who should we find as his private secretary but Margaret Wopdrow and her private Secretary Dorothy Pfeiffer. As night was drawing near we decided to stop for the evening at the "Ideal Hotel." When we awoke we found that a day had passed and it was now Sunday and time to go to Church. When we went to pay our bill who should we see but Bernadine Weyhrich as the private secretary for the owner of the hotel. We asked her if there was a church anywhere around and she told us where we could find one. When we arrived, to our great surprise we found Rev. Lewis and in the Reverend's Mansion we found Ada Goeken as his assistant, who typed up all his sermons for him. After church it was time to catch our rocket plane, so we started off. When we arrived at the plane, we were surrounded by photographers and the ace of all photographer who was Paul Schlyer. Upon saying goodbye to Paul, we left good old Green Valley, Illinois.

FRESHMEN

JUNIORS

School would have been very dull without the Junior Class to help to keep things humming. This class started to school as freshmen with 22 members, but during that year Carrie McCarrio left them. In the sophomore year Lyman Urish moved away. This year the class had an enrollment of 14. It had one new member in Glenn Ripper who transferred from Pekin; however it lost Leonard Aldrich, Fonda Lahman, Marvin Dean, Etta Forbes, Carl Waymire and Vaunna Morris.

This year class officers were: President, Dick Chitwood: Vice Pres. Bob Sloter, Sec-Tres. Ike Baysinger. Student Council representatives for the Juniors were Evelyn Parr and Dale Drake.

A play, "Criss Cross", was given by the class to make money for the Junior-Senior banquet. The class also made money by selling hot dogs at ball games, and by selling Christmas cards and stationery.

Many of the boys were active in school sports. On the baseball team were Dale Drake, Bob Sloter, Joe Bussone, and Ike Baysinger. Those who received letters for basketball were Joe Bussone, Ike Baysinger, and Bob Sloter. Dick Chitwood and Earl Hamann played with the second team. Our for track were Earl Hamann, Joe Bussone, Ike Baysiner, Dale Drake, and Dick Chitwood.

The class was well represented by its members in school organizations and the seniors knew that the school would be left in good hands. Good luck, kids. If you wish to know and see us, we are in the picture as follows; Standing: L To R. Shirley Drake, Bethel Wagner, Thelma Knaak, Evelyn Parr, Josephine Burns, Betty Stout, Fonda Lahman, Sitting: L To R. Joe Bussone, Earl Hamann, Bob Sloter, Dick Chitweed Miss Gragg, Ike Baysinger, Glenn Ripper, Lewis Thomas and Dale Drake.

SOPHOMORES

Having changed from a dark green to light green, the "Sophies" are beginning to take a place in school life. When Freshies they had twenty members. In their freshman year they lost Henry Binkele. During their sophomore year they lost 4 members; Hazel Griffin, Russel Morris, Paul Mount, and Thomas Watts.

The following officers were elected: Pres. Jim Ary, Vice Pres. Johnny Goeken, Sec. Tres, Orrie Woodruff. On the Student Council were Barbara Christie and Jim Ary.

In activities , Orrie Woodruff and Jim Ary earned baseball letters. Ray Winner, John Goekden , Floyd Meeker, Jim Ary, and Orrie Woodruff, played on the second team in basketball. On the track team were: Floyd Meeker, Johnny Goeken, Jim Ary , and Marlowe Clauser.

In the picture we are: Standing L To R. Delbert Ripper, Marlowe Claus-

er, Delbert Harms, Ray Winner, Neil Coleman, Russel Crosby, Floyd Meeker Sitting L To R. Donna Aldrich, Donna Woodwar, Barbara Christie, Orrie Woodruff, Mr. Lindsey, Jim Ary, JOhnny Goeken, Suzanna Shay, Arletta Schlyer.

FRESHMEN

In September, 1945, a Freshman class of 21 entered school, but there was one less when Harold Griffin moved away. The Freshies were rather green at first, but they caught on quickly. At their first election the following officers were chosen: Roy Dickerson, President, Darlene Meisinger, Vice-Pres.; Bud Schureman, Sec.-Treas.

Later in the year, Carl Hamilton was chosen Freshman Student Council Representative.

The Library, Glee Clubs, G.A.A., and other school activities were benefited by the Freshmen. A large number of the Freshmen have been on the honor roll each time.

In the sports field they were well represented. Roy Dickerson and Carl Hamilton received letters in baseball. Those out for basketball were Bud Schureman, Roy Dickerson, James Bowlby, Carl Hamilton, and Pete Vetter. These boys played regularly on the second team and practiced hard. Other boys who were out for basketball were Marion Scott, Donnie Hoeft, Bob Diess, Lewis Hamann, and Duane Heren.

In the picture we are as follows: Standing left to right Howard Harms, Robert Diess, Lewis Hamann, Donnie Hoeft, Duane Heren, Pete Vetter, James Bowlby, Carl Hamilton, Larry Moehn, Marion Scott, and Robert Lyons. Seated, left to right, Phyllis Drake, Pat Carr, Darlene Meisinger, Roy Dickerson, Mrs. Gilpin, Bud Schureman, Wilma Lohnes, Gladys Nannen and Helen Waymire.

BASKETBALL

Green Valley ended the basketball season of 1945-46 by losing to Minier in the championship game of the Minier District Tournament.

Our record for the year shows in the Mackinaw Valley League six games won and six lost. In the Tazma League our record was eleven games won and thirteen lost.

The outlook for the next year is bright with three lettermen returning, Joe Bussone, Ike Baysinger, and Bob Sloter. Ory Meeker, Bob Heren, and Mel Rademacker were seniors and won't be here next year. Among the reserves the future should find the sophomores, Orrie Woodruff, James Ary, John Goeken, Floyd Meeker and Ray Winner playing their part in G. V. Basketball services.

The freshmen class offered these boys as regulars on this years second team: Carl Hamilton, Roy Dickerson, Bud Schureman, Rudy Vetter, and James Bowlby. Regular at practice during the season, and possible future players were Dick Chitwood, Earl Hamann, Marion Scott, Bob Diess, Donald Hoeft, Duane Heren, and Lewis Hamann.

The team was sparked during the season by our cute, peppy, and ambitious cheerleaders, Mary Schureman, Fonda Lahman, and Deloras Dickerson. You'll find them in that order in their picture.

They were present at every game, and their peppy antics made as valuable a contribution to the game as did their appearance in their green jumpers and white blouses.

Our Managers, Russel Crosby, and Roy Shay, earned letters by their services to the team and coach.

We also appreciate the services of those who kept score for us at various times and places, of the time keeper, Fred Stouthammer, and of those who regularly offered their cars to transport us to the games.

Personnel of the Basketball Squad Pictures:

1st Row--Mgr. Shay, Coach Jones, Heren, Bussone, Meeker, Rademacker, Sloter, Dickerson, and Crosby.

2nd Row---Ary, Schureman, Meeker, Chitwood, Winner, Vetter, Goeken, Hamann, Bowlby, Woodruff, and Hamilton.

OUR LETTERMEN

"Orv" Meeker, Senior forward and 2 letterman lead the team in scoring and rebounded consistently. Orv was our most dependable point getter, and a reliable guard.

"Buck" Sloter, a Junior guard and 2 letterman, combined driving dribble with a left hand push shot that usually led to 2 points or 2 free throws.

"Mel" Rademacker, our Senior center and a 2 letterman, came in very handy on offensive and defensive rebounding. On his hot nights, he seemed to hit from everywhere with his one hand flip shot.

"Joe" Bussone, a Junior guard and 3 letter winner, always could be depended upon to do our long shooting and to advance the ball. Joe was a rugged defensive player and at times had much offensive drives.

"Ike" Baysinger, a Junior forward and 2 letterman, was a rugged player especially when he got hold of the ball. His scrap and determination will come in handy next year as a pivot man.

"Bob" Heren, A Senior, played guard or forward as was necessary and more than earned his first basketball letter by his dependability in the pinches.

Our Team

"Joe", our pitcher, had good control and threw a sharp curve. He was usually good for a strike-out when in a tight spot. He has a year to go.

"Ike", was converted from the outfield to position as catcher. He filled the job well and will be back next year.

"Bob" S., our first baseman for the third consecutive year, caught many bad throws.

Carl, a freshman, covered second base. He led the batting average and looks promising for next year.

Marvin, who was a junior this year, filled the position of shortstop very well.

Dale, who covered third base very well was noted for his fast throws to first.

"Bob" H., who played in the outfield, was noted for his one-handed catching of fly balls.

"Mel", was our utility man. He pitched in a practice game with San Jose last spring and was selected to be our pitcher. Unfortunately he suffered an operation and was out of practice until late in the season.

"Burr", a very good outfielder, made many spectacular catches.

"Orv", who had been in the outfield four years, handled his position very well and came through with good stick work.

Orrie, a dependable substitute for the outfield, looks promising for the future.

Track

Our 1946 track season under the direction of Coach Euell Lindsey, will find us without the services of these lettermen from the 1945 squad: Bud Reining 86 1/2; point winner; Leonard Aldrich 60 5/6 points; Lyle Flexsenhar 12 1/4 points; Bob Van Nattan 8 1/2 points; Jim Baysinger 5 1/2 points. We do have as a squad nucleus these lettermen; Melvin Rademacker 43 points; Orville Meeker 23 points; Robert Heren 24 3/4 points; Joe Bussone 24 points; Ike Baysinger 3/4 point; and Jim Ary 1 3/4 points, earned in the County meet. Dale Drake another previous letter winner along with Roy Lewis, Orrie Woodruff, Dick Chitwood, Marlowe Clauser and the other track candidates shown in the picture should enable us to make a creditable showing in our 1946 track season. Our two big events of the year will be the Delavan Relays on May 4th and the Tazewell County Track Meet on May 14th.

Student Council

Our Student Council was organized in 1937 to promote student-teacher cooperation, and to give the student a part in preparing the student and school programs. The Council is made up of 4 Seniors, 2 Juniors, 2 Sophomores, and 1 Freshman.

Several parties were planned by the Student Council. We had a Halloween Party to which everyone came masked. Prizes were given for the best costume. The valentine party was another gala affair for the school. We played fifty and bingo and the latter part of the evening we spent dancing. A skating party and others were planned.

Special assemblies were provided by the Student Council and the Christmas assembly was one of these. The decorating and planning for the all-school supper were planned by the council. This council also had a hand in other school activities and gave help wherever needed.

The Student Council attended the State Convention held in Peoria this year.

G. A. A.

Our G. A. A. is an organization devoted to the promotion of active sports other than those in P.E. To help do this and to secure swimming privileges, the G.A. A. joined the Y. W.C.A. in Peoria.

The G.A.A. also was represented at other G.A.A. activities in our area.

The officers of our G.A.A. were:

President....Mary Schureman
V. Pres..... Deloras Dickerson

Gee Vee See

The Gee Vee See is our small newspaper issued and published by the students every month.

Much effort is put forth by Barbara D. on the mimeograph. Lois Lee as the Editor, and Evelyn Parr as the Assistant Editor. Arletta Schlyer also helped to print and distribute the paper. Mr. Lindsey was the advisor and helped to re-read for typing mistakes.

Our newspaper kept the students posted on what was happening in school. It was also distributed around town so that the town people could keep well posted on our school affairs. We sent our paper to other schools and received their papers in return.

The following students made up the newspaper staff:

Green Lantern

The Green Lantern is a written and pictorial history of school life in G.V.H.S. for the current year. When one has looked at the pictures and read the articles one will have a very good idea of our school life.

Like all year books, there is a certain quality behind the book and that quality is the staff. Oh! the troubles of each staff!

Each Senior is given a definite job and has the responsibility of seeing that the job is well done.

Glee Club

The Glee Club had thirty-five members this year. The Boys' Glee Club had fifteen members, and the Girls' Glee Club had eighteen members. The girls and boys combined form the mixed chorus.

The Glee Club attended the Music Festival at Pekin High on April 23, 1946. They put on an assembly program, sang for graduation and baccalaureate, and were available for entertainment outside of school.

ALUMNI ORGANIZATION

This high school is fortunate because it has an active alumni organization, the purpose of which is to promote a feeling of unity among the alumni of this school. Each spring an alumni banquet is given for the graduates of that year. This year they also had an ice cream cake, and pie social at a softball game in the fall, and at Christmas time, a gift exchange and card party was held in the high school gymnasium, which was gaily decorated for the occasion. The officers in charge of the organization are: President, Lorene McJunkin; Vice-Pres., Harold Baker; Sec., Imogen Worner; Treas., John Urish; and Corres. Sec., Alta Parr.

VISITORS

School Diary for 1945-46

SEPTEMBER

Today, the 4th, was a big day-We packed up our dinner buckets, bundled our books together, and started on our long journey on the road of knowledge--In other words-school started--The 14th, Tremont played baseball here--What a game!--But we lost--We traveled to Mackinaw on the 18th for a baseball game-only to be defeated again--Then on the 21st we played at Delavan--We might have won, but we were "rained out"--The 25th we were supposed to have played Minier, but the game was cancelled-too much rain--The end of the month found us improved-we beat Hopedale here-Hurray!

OCTOBER

The 2nd, we played another of our unlucky games at Armington-but we only lost by one point!--On the 3rd, the Freshman had their class party-They danced and played games--It seems that some of the boys left early, with Manito being their destination--The same nite, the 3rd, the Juniors had an invitational party-aweiner roast at the Mackinaw and then a show in Pekin--The 4th and 5th were vacation days--Teacher's Institute-swell-every vacation is swell--The Sophomores had a party of the 8th-invitational-hayrack party-brrrr-it was cold-plenty of cider, though-Parties seem to be quite the thing-the Seniors came forth with an invitational party-more strangers there!--scavenger hunt, games-dancing-food--1st six week ends the 12th also--report cards-GROAN--The 26th we had an all school Halloween party-more strange characters-ghosts, corpses, and more ghosts--prizes went to the queerest dressed.

NOVEMBER

November 9th-Big night--Senior class play-"Aunt Cathie's Cat"-great success-hidden talent was discovered-even the cat was good!--Had an American Education Week Assembly the 12th--The 16th we played, and won, our first basketball game of the season-Manito was the opponent--On the 21st Mackinaw lost to us here-overtime-Wonderful game!--The 22nd-25th- Thanksgiving vacation-these things should happen more often-End of second six weeks the 23rd- report cards due--So soon? On the 27th we played Tremont here--and lost in an overtime- oh well, we can't win all the time!--The 30th we played San Jose there-We'll not discuss that game.

DECEMBER

Dec. 5th- Special Assembly-movie-"Chip Off the Old Block"-not bad--Same night-played basketball at Minier-that's right-they won--The 7th eyed to Morton-and were defeated-after all our trouble to get a way!--Hopedale played here the 14th--an easy win for us, for a change--Supposed to play Delavan the 20th-cancelled-too much flu--School closed at noon for Xmas vacation the 21st--Yippee!--Everyone was anxious for Santa to come! Merry Xmas!

JANUARY

Jan. 2nd- We now have a new English teacher-Mrs. Sundquist's husband came home--so Miss Gragg came here to take her place--We were treated to a Special Assembly- "His Butler's Sister"--our first day back after vacation--Started basketball again the 9th-Minier defeated us here--Played at Delavan the 10th--A win by 3 points for us--Miss Jones, nope,

JANUARY (con't.)

I mean Mrs. Gilpin came back from her honeymoon--The 14th-15th were tiresome days-Semester Examination-how little we knew!

The nite of the 15th we played Forrest City here-the Hornets didn't sting quite hard enough--The 18th we played Hopedale-there-an unexpected loss by two points-quite a game-Report cards were due the 18th again-- too soon to suit us--The 22nd we defeated Morton on our own floor--it was a dandy game-but on the 25th Mackinaw defeated us by one point--guess it was the scoreboard--Tazewell County tournament began the 29th-we can dream, can't we?--The 30th was the fateful night-Mackinaw beat us in an overtime-a real heartbreaker--and a bad way to end the month.

FEBRUARY

5th--we played Tremont there-and the Hornets really stung-revenge- The 6th- Special Assembly-show "Hit the Ice"--funny-played Delavan here the 8th--wish we could play them more often--traveled to Forest City the 11th--ceiling was too low!--Lincoln's Birthday-no school-he should have a birthday every day!--Basketball with San Jose here the 14th-we had them worried for awhile-and then they only beat us by 4 points--All-school Valentine Party the 15th-more fun-good food-Bingo-50-and dancing-pretty decorations-the 19th-22nd- District tournament-we beat Stanford and Deer Creek easily-but oh! that Minier--the 20th- Special Assembly in honor of Washington--4th six weeks ended the 22nd--dreaded report cards--Regional Tourney began the 26th--there we are, left out of everything.
